**What?** Kick off your summer fun by playing theatre games and learning acting skills; including pantomime, voice and diction, character building, script reading, basic costuming, staging and directing techniques. Campers will explore favorite storybook characters, craft their own masks and combine them with movement to develop new characters from their imaginations.

Each session will culminate in a short production for friends and family.

**Who?** Sacred Heart Cathedral students entering Grades 4-8 are welcome to join. No experience is necessary. Young actors with some stage and acting experience will find the camp informative and an excellent way to hone their skills while serving as exemplars and role models for the beginners. \*Spaces are extremely limited so register today!

**Why?** This unique experience will help your student develop confidence, improve their speech and presentation skills, build self-esteem, promote teamwork and highlight their natural leadership talents. Mr. Elting is known for his highly energetic and engaging creative drama curriculum and teaching methods that are great fun and highly developmental for all children.
